CAREER OBJECTIVE

Short-term objective (3–6 months):
To enhance professional knowledge, develop technical expertise and soft skills, and gain practical, hands-on experience.

Long-term objective (1–2 years):
To become a competent and dedicated employee with a solid professional foundation, actively contributing to the company's development while continuously advancing my career.

EDUCATION

Hanoi University of Business and Technology
Bachelor of Information Technology (August 2022 – June 2026)
Fourth-year student majoring in Information Technology

PERSONAL PROJECTS

Personal Portfolio
- Tools: VS Code, HTML, CSS (Responsive Design, CSS Grid/Flexbox)
- Description: Developed a personal portfolio website with a user-friendly interface using HTML and CSS. Implemented Grid and Flexbox to create a flexible and responsive layout. The portfolio includes sections for personal introduction, skills, and project links.
- **https://hanhtrannp11.github.io/my-portfolio/**

Bookstore Website
- Tools: WordPress, XAMPP
- Description: Built an online bookstore website that allows users to browse books, search by categories, view detailed product information, and place orders. Integrated interactive features, including customer support via an automated chatbot using APIs and JSON.
